

Dear Grace Parents:

The **After School Enrichment Program** will begin its winter session the week of January 29th. This season includes several exciting options covering a range of topics in 4 or 8-week sessions. Check out all class offerings described in this packet.

PARENTS NEEDED! The Safe Practices Policy at Grace Lutheran Church and School requires that two adults be present whenever an instructor who is not a Grace teacher is working with students. For the Winter 2017 enrichment session, we could use help implementing this policy for several of the after school classes. If you are willing to accompany every session of your child's enrichment class, we can offer a \$40 discount off the class fee (\$20 discount for a 4-week class). Active participation in the class is neither expected nor required. Please contact Eileen Maggio to confirm your discount before final payment.

*Enrichment classes fill up quickly! Classes will be filled on a first-come-first-serve basis. **The registration deadline is Friday, January 26, 2017.***

Please make checks payable to Grace Lutheran School. Tuition is non-refundable, except if a class is cancelled due to insufficient registration. There will be no make-up classes due to student absences.

We hope you take advantage of these exciting enrichment opportunities brought to you by the **Grace Parents Organization**.
